LILCA Happenings

Feb 10, 2009

General Membership Meeting

Our general membership meeting was held on Feb 10, 2009. At South Nassau Communities Hospital Annex. The meeting was journal club format. The articles discussed were: "Inclusion of Fathers is an Intervention to Promote Breastfeeding: Impact on Breastfeeding Rates." and the 'Effect of Pasteurization on the Bactericidal Capacity of Milk'.

Lisa Kennedy, RN, BSN, IBCLC presented and cerps were awarded.

June 16, 2009

LILCA/ALP Meeting

Our next general membership meeting will be held on June 16, 2009, 9am - 2pm at Good Samaritan Hospital. Members of ALP and LILCA will be presenting a discussion group with the topic: "The Culture of Infant Feeding in the United States: History of Infant Feeding, How Hospitalization of Birth Affected Breastfeeding and the Transition to Home". Please feel free to come with your ideas and research.

"Each person has his or her own potential in terms of achievement and service. The awareness of that potential is the discovery of purpose; the fulfillment of that potential is the discovery of strength." –Norman Cousins

From the President's Desk

We hope to see you all on June 16th at Good Sam. Many of us attended "The Business Case for Breastfeeding" with Cathy Carothers. LILCA will be working with ideas on how we as a group can go forward with the ideas we learned.

Many of you know about the buzz with Medela and the advertising of the teats and the WHO code. At this point, LILCA's board does not believe it is necessary to have a "LILCA" position on this. We will always be vigilant that we as an affiliate of ILCA, abide by the WHO code.

We have had two conference calls with USLCA since the end of last year. This is definitely the beginning of a means of communicating with other chapters throughout the US. At this point, USCLA is working on its bylaws.

Another issue discussed was IBLCE's policy on cerps being granted to conferences sponsored by WHO code violators. They have decided to revisit the issue and will provide follow up.

Also discussed was how conferences would be funded, if not by "code violators" and if raising prices to attend would hurt the average LC. This will continue to be discussed in future calls. The committee; which is made up of Karen McGuire, Virginia Murphy and Donna Kimick will continue to stay involved in the calls.

The board is looking forward to working for another exciting year.

**Regards,
Donna and the Board**

News You Can Use

ALP/LILCA WBW Luncheon

You are cordially invited to the 2009 *World Breastfeeding Week Celebration* where we will recognize and honor those mothers who participated in the 2009 letter-writing contest.

The Association of Lactation Providers of Nassau/Suffolk and the Long Island Lactation Consultants Association sponsor this annual event on Long Island . The luncheon celebration will be held:

Monday, August 3, 2009, from

12:00pm-3:00pm at:

Dolan Health Center
Conference Room
284 Pulaski Road
Huntington, New York

Letters from the 2009 letter-writing effort will be read and prizes awarded. We look forward to seeing you at our Celebration. The celebration cost is \$12.00.

Please see LILCA website for more information.

Please visit the LILCA website at www.lilca.org
for update information from ILCA about
breastfeeding and the swine flu.
