General Membership Meeting

Our next general membership meeting will be held on Feb. 23, 2010, 7PM at the business office of Salmon LLC in Mineola. The guest speaker will be Kathy Mirra and her topic is **The Evolution of the Lactation Consultant**. Cerps will be awarded.

From the President's Desk

President's Column

Welcome to Ethel Galea – our new Vice President and Ginny Murphy – our new Treasurer. ☺ Your new board is off and running already. We got our acceptance letter for the mini grant of \$500 from the New York Statewide Breastfeeding Coalition. This grant will help us start the lactation room at the Department of Health in Nassau County. The room is in the process of being set up. Let's hope this is the first of many other lactation rooms throughout the county offices. Our forum /press conference will take place on March 11th, we would love to have as many LILCA members there as possible to launch the program.

We have received a wonderful letter and pictures Dr Ifeju Omajuwa, an OB/GYN from Nigeria. LILCA sponsored his ILCA membership, so please check out the website for his letter and pictures.

The new board has come up with many great ideas for future meetings. We hope you will all join us.

Regards, Donna and the Board

IBCLC DAY - March 3, 2010

IBCLCs: Experience You Can Trust

March 3, 2010 is the 8th annual IBCLC Day, a global celebration of the important role of International Board Certified Lactation Consultants as part of the healthcare team supporting breastfeeding families.

This year's theme, "IBCLCs: Experience You Can Trust," is a reminder of the rich 25-year history of the lactation consultation profession, which celebrates its silver anniversary in 2010. [Check out the [25th Anniversary](#) page of the website and the [2010 Annual Conference](#) to learn more about the exciting festivities being planned!] This year's theme is also a reminder that IBCLCs undergo a rigorous process to become credentialed, and possess knowledge and expertise that new families and medical professionals can count on.

ILCA will provide downloadable resources to help you celebrate IBCLC Day soon! These will include free handouts to share with new families and with healthcare providers.

If you have photos or stories to share about your work as an IBCLC, please send them to ILCA at info@ilca.org so we can celebrate the contributions that IBCLCs make in the lives of families.

Watch for 2010 IBCLC Day materials available in January!
